

Ausstellung / Exhibition in Firenze (I)

25.05.2017 – 28.05.2017

During Preziosa 2017 Florence Jewellery Week a group of seven silver artists who share a combined studio and gallery LOD in Stockholm will present their work at Botticelli Gallery. Participating silversmiths are Tobias Birgersson, Klara Eriksson, Petronella Eriksson, Lena Jerström, Pernilla Sylwan and Erik Tidäng. They seek to keep silver production alive and create a higher interest for their skills. The silver is handled without gloves to demonstrate that it is not something to be put away in a closet, but be used all the time in daily life. They are revising the appearance of traditional products.
