

Contemporary British Silversmiths invites you to join us in celebrating their 25th anniversary at our *Celebrating Silver* symposium & exhibition event at De Montfort University. This symposium is an opportunity to bring together the contemporary silversmithing sector to discuss ideas around creative ambition and practice through the experiences of makers, curators, critics and supporting organisations.

The two days will include a full day of speakers, discussion panels and breakout sessions, a pop-up exhibition of makers' current work (Show & Tell), an evening dinner and networking opportunities, the AGM, an insight into Contemporary British Silversmiths' Skills Training Programme for makers and practical silversmithing demonstrations for families and the general public. Information about the event and how to book is available on the [website of Contemporary British Silversmiths](#).
