

If you're looking to learn a load of new skills and level up your metalsmithing game (or you know someone who is), you might be interested in my new offer of One-to-One workshop training, either online (so you can work in your own space wherever that may be in the world) or in person in my workshop in North Wales (with added beautiful landscape, homemade soup, tea and biscuits). Vouchers are available for full or partial payment, please reply to this [email](#) or call me on +44 7789402481 if you'd like a chat about it.
