

Exhibition in London

08.03.2016 - 02.07.2017

This display highlights the work of [Contemporary British Silversmiths](#). It includes some of the best silversmiths practising in Britain today. Contemporary British Silversmiths is the re-branded title for the Association of British Designer Silversmiths, an organisation formed in 1996 which is committed to maintaining and developing the traditional silversmithing craft within the context of contemporary design. This display will concentrate on table silver and will be shown in the Silver Galleries where the National Collection of English Silver is exhibited. Every object included has been made specifically for this exhibition.

Location: [Victoria and Albert Museum](#), Cromwell Road, London, SW7 2RL.
