

The Danish artist and silversmith [Lasse Bæhring](#) composed a video (12:34 min.) in which he shows the creation of a sterling silver wine/water pitcher. An evocative flow from inspiration to finished piece.

Bæhring was trained at Georg Jensen Silversmithy in the renowned traditional craft of silversmithing. He executes his own innovative and award winning designs for the fastidious international market. With more than 100 exhibitions over a 30 years international career Lasse Bæhring/Baehring Silver are at the top of his game. This video shows his process from start to finished piece.
