

Due to the Covid-19 virus precautionary measures the workshop is cancelled

Studio DIVA in Antwerp (B) is giving a workshop forging spoons. During this workshop you will learn the basic techniques for forging a silver spoon. You start from a bar of silver that is gradually forged into a shape using an anvil and a heavy forging hammer. You will learn step by step everything about how to shape and finish your spoon. No prior knowledge is required for the workshop and it is suitable for beginners and those with some experience. You would be well advised to sign up without delay, because places are limited to 6 a day.

The workshop is given by silversmith Max Gielis (° 1977), who is a teacher at the RHoK Academy in Brussels and worked as an independent silversmith for i.a. Gijs Bakker and Koen Wijngaerden.

Practical information

The workshop will take place at Studio DIVA from 9:30 am till 4:30 pm. Participants choose at least two days from the available dates (Monday 24 till Friday 28 of August 2020) and register for the workshop via the online ticket shop of DIVA. The places are limited to 6 participants a day. Do you want to register for more than two days? Just select the extra days you want in the online ticket shop.

Cost of the workshop: € 105 a day (10% discount for friends of DIVA). Materials to make one spoon are included. If you want to make several spoons, you can purchase materials from DIVA or bring your own.
